### ORIGAMI ANSWER CARD

Folding Instructions: To "crease" means to fold and then open again. To "fold" means to fold and not open.

1. Crease along (1) in both directions and tear off these instructions.
2. With front down, fold corner to corner to put crease along (2). Do the same with other corners to put crease along (3).
3. With front down, fold corners along dashed lines - - - - - so that all arrows ➡ point to the center.
4. With arrow side up, crease again along (2) and (3).
5. With arrow side down, crease along new diagonals (4) and (5).
6. With arrow side up, bring all corners marked with 6 up together.

To Use: Open to desired answer. Hold answer in palm toward instructor.
