

ORIGAMI ANSWER CARD

Folding Instructions: To "crease" means to fold and then open again. To "fold" means to just fold and not open.

1. Crease along ① in both directions and tear off these instructions.
2. With printed side down, fold corner to corner to put crease along ②. Repeat with other corners to put crease along ③.
3. With printed side down, fold corners along dashed lines - - - - so that all arrows ➡ point to the center.
4. With arrow side up (numbers facing down) crease again along ② and along ③.
5. With arrow side down (numbers facing up) crease along new diagonals ④ and ⑤.
6. With arrow side up (numbers down) bring all corners marked ⑥ up together.

To Use: Turn to desired answer and hold answer in palm toward instructor.
